Rights Protection and Human Wellbeing (Rosпотребнадзор)

FBSI “Federal Scientific Center for Medical and
Preventive Health Risk Management Technologies”

XI ALL-RUSSIAN SCIENTIFIC AND PRACTICAL
CONFERENCE WITH INTERNATIONAL PARTICIPATION

HEALTH RISK ANALYSIS – 2021

environmental, social, medical care and behavioural aspects

and RISE-2021 meeting on environmental health

DEDICATED TO THE YEAR OF SCIENCE AND
TECHNOLOGY IN THE RUSSIAN FEDERATION

Dates: **May 18-20, 2021**

Dear colleagues,

It is a great pleasure to invite you to take part in the XI All-Russian Scientific and Practical Conference with International Participation 'Health Risk Analysis - 2021: environmental, social, medical care and behavioural aspects'.

The conference starts at 10:00 on May 18 in the format of an Internet forum on the website fcrisk.ru/forums/ and will last until May 20, 2021.

HOSTS OF THE CONFERENCE:

Federal Service for Surveillance over Consumer Rights protection and Human Wellbeing
Federal Scientific Center for Medical and Preventive Health Risk Management Technologies
Perm Regional Office of the Federal Service for Surveillance over Consumer Rights protection and Human Wellbeing
Medical Science Division of Russian Academy of Sciences
Perm State Medical University

WITH THE PARTICIPATION OF:

World Federation of Neurology
University of Strasburg, Uppsala University, University of Oregon
National Institute for Food Control, SRV

SCIENTIFIC SCOPE:

- Fundamental, scientific, methodological and legal aspects of assessment, forecasting and management of risks to public health.
- Technologies, methods and criteria for the analysis and forecast of the sanitary-epidemiological situation. Exposure assessment.
- Habitat quality and COVID-19: new knowledge, problems, research prospects.
- Best practices for assessing health risks in the framework of the national projects "Ecology" and "Demography", forecasting the life expectancy of the population.
- Risk analysis in occupational health.
- Modern methods of diagnostics, correction and prevention of health disorders associated with risk-generating factors of the external environment, labor process, lifestyle, socio-economic conditions
- Assessment and compensation for harm to human health caused as a result of violation of the mandatory requirements of sanitary legislation.

THE PROGRAM OF THE CONFERENCE INCLUDES:

- holding plenary and breakout sessions, round tables, panel discussions;
- presentation of poster presentations;
- holding a competition "The best work of a young scientist".

The place of the online conference: fcrisk.ru/forums/

CONFERENCE FORMAT:

The following sessions will be organized on the internet conference website:

- Session of plenary presentation reports, where video reports of key speakers (.mp4 / .avi) and reports in presentation format (.pdf) will be presented in accordance with the discussion areas;
- Session of electronic poster reports (.pdf);
- Session "Competition of Scientific Works of Young Scientists" (.pdf).

Discussion of video and presentation reports will take place in the form of a question-and-answer forum on the conference website.

The rules and program of the conference will be posted on the website of the Internet conference: fcrisk.ru/forums/

The collection of scientific papers of the conference, abstracts of the conference reports in translation into English (Proceedings) will be posted on the conference website, and also indexed in the RSCI database of the scientific electronic library E-LIBRARY.

As a result of the conference, the best articles will be recommended for publication in a special issue of the Health Risk Analysis Journal, included in the list of the Higher Attestation Commission and in the international database "Scopus".
